

MATHS JAM

Are you a maths enthusiast, puzzle-freak, origami-artist or simply rather curious about data and numbers? Then maybe Maths Jam is your cup of tea!

MathsJam is a monthly opportunity for like-minded self-confessed maths enthusiasts to get together in a pub and share stuff they like. Puzzles, games, problems, or just anything they think is cool or interesting. We don't have organised talks, planned activities or even strict timings - **just turn up and join in.**
